CONTACTING SOFTAMBULANCE SUPPORT TEAM.

To contact support please fill the following fields with information about your request to help us provide the most efficient support for you.

Please enter your e-mail:

Select the most appropriate topic from the following:

Please select a product appropriate to your request:

Enter your message:

Specifying following information will significantly improve speed and quality of our respond:

- Your windows version (Vista, XP, 2000, etc).
- What type of disk you are scanning (HDD, memory card, USB flash, etc.).
- Please write size of your disk and each partition if it has.
- How you have lost your files?
- Was this disk formatted or files were accidentally deleted?

Warning!

We could not help you without your name and e-mail!
Also please make sure that our e-mails are **not** in your black list.

If you do not get your full version in a timely manner ... or if you've lost it, please select **sales troubleshooting**. Please include your name, email address, and order confirmation number (if you have it) in the message text. We will be happy to help you to repair OE messages or undelete photos.

Currently our products are distributed mainly on the Internet. If you would like to help us with physical distribution, promotion in software compilations, market and resell products with affiliate program, or other business cooperation, select **affiliate request**. We are open to various levels of cooperation.
