## OUTLOOK EXPRESS RECOVERY SOFTWARE

They say that someone begins to appreciate something only when it is lost. But when it occurs to important data stored on your computer you not just realize how precious it was; you probably become very angry and absolutely frustrated regarding this issue. Outlook Express is one of the most widely-spread email clients, yet it is not the most reliable application and can fail anytime. If such problem occurs, the most reliable and fast way to solve it is powerful and affordable [Outlook Express recovery software](#) from SoftAmbulance.

Emails can easily become corrupted and deleted due to virus attacks, accidental deletions, header corruption of .dbx or .mbx files, damage during a transit, power failure, automatic system shutdown, etc. What happens if you log into your computer system and find out that you cannot access your emails in Outlook Express? All your important correspondence: emails, drafts, appointments, attachments, contact addresses are gone. A terrible nightmare for anyone! With Outlook Express message recovery software you can not worry about your messages loss anymore.

Our [Outlook Express email recovery](#) scans, analyses, displays, extracts and saves individual email message from corrupted .dbx files in which Outlook Express stores mail messages in Windows operating system. Our Outlook Express recovery software is considered to be one of the best Outlook Express email recovery programs that recovers your accidentally deleted or sabotaged messages that have been also removed from the "Deleted Items" folder in Outlook Express.

Outlook Express message recovery software from SoftAmbulance has original algorithm to search & recover damaged messages, ability to undelete deleted emails, recover attachments. Only the best Outlook Express email recovery software like ours has really fast and user-friendly interface that will allow starting necessary message recovery in just a few mouse clicks.
